‘संत समागम हरिकथा तुलसी दुर्लभ दोग’

The gathering of saints and the divine discourse on the glory of Lord Rama are extremely rare in this world, accessible only through good fortune and blessings of the Lord Shree Ram.

Meeting enlightened saints, receiving their blessings, and immersing oneself in divine discourses are exceptionally rare opportunities, bestowed upon those with great fortune. Indeed, the chance to receive joint blessings from two highly distinguished spiritual leaders together is an extraordinary occurrence. By the grace of Samadhi-Siddha Sadgurudev Jagadguru Mahayogi Siddhababa, this rare opportunity has been effortlessly made accessible for all of us.

In the month of April 2024, the joyous occasions of "Shree Ram Navami" and "Hanuman Jayanti," the appearance day of Lord Shree Ram and Shree Hanuman Ji, respectively, are being celebrated with great enthusiasm. An extraordinary event, the Sankat Mochan Shree Hanumad Mahayagya (Kotihom), is set to take place from April 17 to 23, 2024. This grand ceremony is organized with the unwavering determination (sat-sankalp) of His Holiness Anantashree Vibhushit Jagadguru Shree Ramanandacharya Swami Shree Ramakrishnacharya Mahayogi Siddhababa.

Speciality of the Mahayagya location

- ✓ The Mahayagya Mandap is in the sacred ground of Shree Ram Tarak Brahma Peeth, located in Chataradham, Barahakshetra, Nepal, adorned by the divine presence of an 80-feet tall idol of Lord Hanuman, the tallest of its kind in the country. This area is renowned as Prachin Haridwar - Kumbha Nagari, Barahkshetradham, situated on the bank of the divine Kaushiki river. The riverbank is considered very sacred, where numerous ancient sages, saints, Siddhas, and devotees, including Vishwamitra, have conducted their spiritual practices. Participating in or simply being present at this grand Yagya in such a divine pilgrimage site is an unparalleled privilege for participants.
- ✓ As per the holy literature of Varaha Purana, Lord Brahma himself informs Mother Earth that the results obtained by performing twelve thousand years of penance (tapasya) at other pilgrimage sites is easily attained by performing a continuous twenty-four-hour penance at Shree Ram Tarak Brahma Peeth.
- ✓ As per the holy literature of Shiva Samhita, Lord Shiva, in Kashi, imparts Tarak Mantra to those who are about to face death, providing liberation. The same result is effortlessly attained at Shree Ram Tarak Brahma Peeth.

Benefits of meditating on Shree Hanuman Ji

- ✓ Individuals experience an increase in sattvic qualities, remain free from troubles and lead a joyful life.
- ✓ Shree Hanuman Ji's grace protects individuals from harm caused by negative forces such as spirits, demons, fire, black magic, curses, bad dreams and so on.
- ✓ Worshiping Shree Hanuman Ji easily mitigates the negative influence of planetary positions, including the wrath of Kula-Kulayana Dosha, Kaal Sarpa Dosha, Sadhe Sati, Adhaiya, Gochar, Muntha, Rahu, Ketu, and other afflictions.
- ✓ Issues that were not resolved through traditional healers (Dhami-Jhakri), astrology, or any other form of worship can be resolved through worshiping Lord Hanuman.
- ✓ Protection from untimely death, overall material adversities, calamities, various types of misfortunes, and the destruction of ignorance is achieved by devoutly attaining pure devotion to Lord Shree Sita Ram Ji, through the grace of Lord Hanuman.

Purpose and Objectives of the Mahayagya

This monumental Yagya is dedicated to alleviating the profound sufferings endured by all living beings in this critical time. It seeks to remove sufferings including diseases, sorrow, anguish, pain, poverty, strife, untimely death, planetary afflictions, supernatural entities, black magic, evil spirits, oppression, and other afflictions that plague our planet. Through the worship and resulting happiness of Shree Hanuman Ji, the true God of the present Kaliyuga era, this will be made possible.

Lord Hanuman, pleased instantly from even the mere recitation of '*Lokah Samastah Sukhino Bhavantu*', will be appealed to, through devotees who have been in Anusthan of continuous Japa of Hanuman Mantra for the past one year.

Devotees will be very lucky to receive extraordinary blessings of Hanuman Ji through their participation as Yagya Kartas, chanting 1 billion Hanuman Mantra and reciting 1,00,000 Hanuman Chalisa, 1,00,000 Sankat Mochan Hanumastak, and 10,000 Hanuman Bahuk, along with performing Koti Homa. Therefore, this historic event, the first of its kind in Nepal, provides a rare opportunity for devotees to directly experience Lord Hanuman's grace.

The connection of the human mind and intellect with the *Atman*, and the connection of the *Atman* with *Paramatman*, is the ultimate and sole purpose of human life. In line with this, it is essential to participate in worship within the sanctuary of a temple based on Vedic Vastu (architecture and design principles) as it facilitates and enhances this crucial connection. This is why since ancient times numerous temples have been constructed following Vedic Vastu. Unfortunately, in contemporary times, many temples are being built deviating from Vedic principles, without the guidance of knowledgeable Acharyas. This trend is highly unfortunate because neglecting the essence of the deity and the sacred nature of the structure during temple construction can lead to significant harm, not only to the builders but also to the entire community.

Engaging in the worship of the Lord in a temple constructed according to scriptural guidelines not only bestows liberation upon individuals but also ensures the continuous vitality of traditions such as dharma, sanskriti (culture), and civilization, fostering equality within society. Therefore, the proposed Shree Ram Temple in the sacred land of Barahakshetra, Chataradham is being constructed in a unique manner based on Vedic architectural principles. This unprecedented construction, adhering to scriptural guidelines, aims to encompass the entire history of humanity, spanning three eras (Vedic, Pauranic, and contemporary), unifying Nepali dharma, sanskar (culture), and preserving heritage and civilization which are on the verge of extinction. This grand temple, shaped in the form of Shree Yantra, the divine symbol of Lord Shree

Ram including 33 koti Devata, will serve as the ultimate destination and a historic site for the entire Sanatan Hindu community.

Significantly, the distinguished individuals who assume the roles of Chief and Main Yagya Karta in the Sankat Mochan Shree Hanumad Mahayagya will engrave their names into history. They will seize the golden opportunity to be commemorated as founders in the stone inscription of the Shree Ram Temple.
